

# PARK CHURCH SUMMER EVENTS

As our Gospel Communities slow down over the summer, we still want to intentionally pursue community with one another. We have lots planned, including BBQs, camping and hiking trips, and a variety of summer classes. These events are great places for us to connect with one another, as well as invite people from outside the church.

**For more information on all of these events, check out our website calendar at [www.parkchurchdenver.org/calendar](http://www.parkchurchdenver.org/calendar) or view the events posted on The City.**

**For more info and questions about the outdoor recreation events, please join the Outdoor Recreation group on The City.**

Feel free to email Anna at [anna@parkchurchdenver.org](mailto:anna@parkchurchdenver.org) with any questions.
